ENTRY FORMS: Please remember the following items when entering athletes:

1. **Entry Limits:** An athlete may ENTER a maximum of 2 individual events and 3 relays. However, an athlete may only COMPETE in a maximum of four events: two individual events and two relays or one individual event and three relays.
2. **Team Entry Limits:** Each team may enter a maximum of **four swimmers per individual event**, with qualifying District times, on the Master Entry Form
3. **Relay entry times:** Each team may submit a *single entry time for each relay with up to 8* potential swimmers designated by an 'X' on each swimmer's line in the appropriate column for that relay. Relay entry times are input in the **red bordered** cell just under the Relay name at the top of the column.

The Master Entry form must be filled out completely and accurately (Please type the information in the form)

1. Swimmers' first & last names and grades must be listed. Enter full name, grade level, and best **verifiable interscholastic performance time from the current season.**
 - Input cells are formatted so no punctuation is needed. For example, when the numbers 23456 are entered, it will display as 2:34.56. 'X' is the only input allowed for Relay cells. Relay time goes in red bordered box.
 - **Individual entry times** for each swimmer must be listed in the appropriate column on the same line as the swimmer's name.
2. ALL relay alternates must be listed on the master entry form (and the relay sheet).
 - **Relay entry times** are inputted in the cell just under the Relay name at the top of the column.

3. List and CIRCLE those swimmers & divers who have not met the District Standards but are close for consideration as wildcard entries. They will be added on a space available basis. Coaches will be notified if they are added by Sunday evening (9 pm) - so please include contact information on the form.
 - If there are lanes available in an event after the qualified swimmers have been seeded, swimmers nominated as 'Wild Card Entries' will be entered, based on time, until all empty lanes in an event are filled. No new heats will be created.
 - Entry times must be the best verifiable time from the current season.
 - **A 'Wild Card Entry' counts toward the individual event limit of 2 per swimmer even if a swimmer is not ultimately entered in the event as an Optional Swimmer.**
4. Coaches' contact phone numbers and email addresses are needed for wild card notification and information (please list the number at which you are most likely to be reached).

Relay Entry Form

1. List up to 8 swimmers for each of the three relays.
2. List SCHOOL NAME at the top of the sheet.
3. Each relay lineup (prelims or finals) may *only include swimmers originally designated as potential members on the Master Entry Form.*
4. If a swimmer was designated as a potential relay member on all three relays, it is the coach's responsibility to see that the swimmer does not compete on all three relays if that would put the swimmer over the limit of competing in 4 events.
5. *The same eight swimmers remain on a relay if it should advance to the State Meet.* WIAA rules forbid changes to the 8 potential members of a relay between Districts and State.
6. Any combination of these 8 swimmers may swim in prelims and/or finals at the District Meet and State, subject to the usual athlete event limits.

Diving Forms

1. Use only the WIAA 2010-2011 Diving form.
2. List dives using the dive description, as they appear on the back of the dive form.
3. Fill out the form COMPLETELY (including signature) using a pencil.

SEATING & ENTRY:

Except for athletes, meet officials and timers, **ALL** other students and parents **MUST** pay. **Athletes will sit on the pool deck and spectators will sit upstairs.** Only coaches, athletes and meet workers will be allowed on the pool deck. All coaches and workers will wear a pass to be on deck.

COACHES:

Please pick up your heat sheets, deck pass and other information from the meet manager upon arrival before the coaches meeting. Please help us to keep the pool deck and spectator areas picked up and clean. Instruct your athletes to not leave ANYTHING in the locker room unattended.

State Meet Qualification: Qualification for the WIAA State Meet is possible by any of three methods:

- 1.) 3A Allocation from District 2 to the State Meet:
 - a. Individual events: Top 5 automatically go to State
 - b. Relay events: Top 5 automatically go to State
- 2.) An individual or relay team may also qualify by achieving the State time standard for that event.
- 3.) If space is available in the State Meet it is possible to be allocated a spot (i.e. a wild card entry) based on the time achieved in finals at the District Meet. The process for wild card entries will be forwarded to you as well as included in your District Meet Packet.

A qualifying time, intended to be used for entry into the state meet, must be submitted to the WISCA database within 7 days of achieving the time, on the entry card or electronic printout showing the time, signed by the meet Referee. Make absolutely sure you have submitted your State swimmers' times to WISCA in accordance with the rules on the WIAA website. Rules are reprinted below. State times achieved at Districts will be submitted for you. NOTE: Swimmers or divers who wish to advance to the State Meet must compete in the same event(s) at their district meet.
